D75507 Declaration of Conformity to EU REACH

Under European Union's REACH regulation (Regulation No 1907/2006), registration of substances which are used in the manufacturing of articles do not apply to Solon Manufacturing Company's operations.

At this time, Solon Manufacturing Company is not aware of any products manufactured by Solon Manufacturing Company that require substance registration and notification under REACH Articles 6 & 7. Article 33 (1) requires supplier to inform recipients if any article contains more that 0.1% of any substance(s) on the Substance of Very High Concern (SVHC) Candidate List, revised on **January 15, 2019**. Solon Manufacturing Company's products do not contain any of the currently listed SVHC's. Solon will continue to work with our suppliers to ensure that all SVHC's are notified to the European Chemicals Agency, if necessary, to comply with the REACH requirement.

To the best of Solon Manufacturing Company knowledge, Solon's products do not intentionally contain any of the substances as described in Article 67 and Annex XVII (with amendments), in addition to substances already restricted under the EU's Restriction of Hazardous Substances (RoHS) Directive.

Solon Manufacturing Company assures its customers that our products are in full compliance with the EU REACH requirement. Questions regarding our REACH compliance can be addressed via the following:
